Chas F Lummis:

I have your folio  
of "Spanish Songs"?  
Old Cali" accompani-  
ments by Mr Farwell.  
I want something  
more in this type  
of music and I  
am asking you  
to send me a

Catalog or recommend  
some numbers.

I am also inter-  
ested in Mexican  
music of the type

used in Old Mexico  
to-day and those  
of the past. If you  
do not have  
Mexican music,

<sup>3</sup>  
Please tell me a  
publisher who might  
handle it

Yours very truly
